Dear Mr Marshall

Complaint Reference - CPT003263

I refer to our previous correspondence in which we said you would receive a full response to your complaint by 23rd December 2025.

I am unable to fully investigate your complaint in the timescale given due to competing workloads and the complex nature of the complaint. Additional time is required to fully investigate your complaint and allow the investigating officer to respond. Accounting for the Christmas and New Year break when the Council offices are closed, a response should be issued by 28th January 2026.

If for any reason this is not the case, I will write to you again to let you know.

Please accept my apologies for this delay.

Yours sincerely

**Barry Fotheringham
Lead Planning Officer**
